NEW YEAR GREETING TO OUR MEMBERS

We thank God for this wonderful, beautiful, bright, promising brand-new year. As God created all things new, He made all things new again for us. God, may your holy name be praised for giving us this most wonderful new year to live, to love and to grow in your glory. Especially this new year is the clearest sign of the eminence of your second coming in glory.

So, we pray God to bless all our members. Your wonderful support for the work of the Hearts of Love, for the prayer life, salvation of all souls, the propagation of this life, this mission, this prayer can never be forgotten. In fact, the fruits of your labour, your sacrifice can never be measured. It is only God himself who can reward you for what you have and what you are doing.

So, we thank God for you, thank God for all of you and each and every one of you and pray God to bless you with his choicest blessings. May this new year we have entered from the very beginning of it bring you the greatest blessings of God. May this blessing continue to grow to infinity. This blessing God gives us is He himself. He himself is our blessing. God is our blessing. God is infinite. So, may you also be turned to blessing to others.

Anywhere you go, carry this blessing with you and spread it. The more you spread it, the more you have it. The more you share it, the more you have it. May God bless you and through you bless all to whom you go and all who come to you, all your families, all your relations, all your neighbours and everybody in the whole world.

May Almighty God bless you in the name of the Father and of the Son and of the Holy Spirit. Amen

Thank you, thank you, thank you, thank you, thank you.

THIS IS THE HOLIEST PLACE

Yes, having been raised to this level of holiness, the holiest place in the whole of creation, not just next to Mary, but the same as Mary, this is the clearest sign that the second coming is not what will happen tomorrow, but what is happening now, if only Mary would say “Yes”. Once Mary said yes to the angel’s message the Word became flesh in her and dwelt among us. For the highest office in the Church, the Papacy, once you are elected Pope and you are asked to accept, once you say yes automatically you become the Pope. That your yes makes you the Pope as Mary’s yes made her the mother of Christ. So, here in Ugwu Nso, my yes, our yes makes it completely, fully actualized. This yes is not light, it is the yes with the greatest responsibility, responsibility of purity, absolute, responsibility of keeping the

prayer times, absolute; responsibility of avoiding whatsoever, whosoever, wheresoever can contaminate you, whatsoever, whosoever, wheresoever can reduce the intensity of your love. God requires from us here the greatest love, the highest glory. So here has been elected and Mary must say yes and once we say yes, the coming is fully realized, but it will then unfold, become clearer, clearer and clearer with time. My God my Love, my All, give me, give us the grace to say an absolute, perfect and unflinching “yes”.

Mountain**

**LOVE OF MARY MADE
YOU, MY GOD, NOT TO
SUFFER**

My God, thank you for this Christmas in this Heaven on earth. It is difficult, it was not easy for You to become man. It was not easy at all. When I asked You, Lord, about Your suffering, how You suffered, how You were flogged, how they spat upon You, nailed You to the cross, Your answer was: “Don’t you know

that my becoming man is enough suffering? My incarnation, my becoming man is more than enough suffering to save the whole world.”

So, all the other sufferings, floggings, spitting upon You, insulting You, nailing You to the cross, they are just additions, just garnishing, just decorations, decorations for the main suffering which is: God becoming man. Compared to the suffering of the incarnation – what are they? Just ornamentation, decoration.

Lord, we thank You for becoming man. Thank You also for giving us heaven Here on earth. Please, may we not allow You to suffer again in this Heaven on earth. Mary didn’t allow You to suffer in her womb. She provided You all the conditions needed to be perfectly formed. She didn’t allow You to suffer even in Bethlehem. That dirty place where animals lived, she kept everything very, very clean, sparkling clean. It was not dirty. It was poor, but not dirty. She cleaned everything.

She poured her love on You and this love made You not to suffer. You were in heaven on earth here in Mary. And in Mary's arms and in Mary's presence you had the highest joy: looking at her face, the face of your Mother. Your sweetest word was: "Mama". Even on the cross, that was your last word. Your first word here on earth was: "Mama" and your last word was also "Mama". She taught You and gave you everything you needed as man to save the whole world. And she did it in the best, in the most perfect state – uncontaminated. She poured all Her love on You and this love made You not to suffer. You were swimming in the ocean of Mary.

Lord, may we not allow you to suffer here in Ugwu-Nso, here in Heaven on earth, here in your Hearts of Love Universal centre, in all your centres of the Hearts of Love everywhere in the whole world. May we not allow You to suffer, to feel any more pains, disappointments, injuries, insults,

persecutions – no! You are coming in glory. You are not coming to suffer again – no! You are coming in glory, in glory, in glory. Lord, may we not allow You to suffer, not allow anybody to come near who may cause You pain, cause You disappointment. May we never allow you to suffer. May You never, never, never suffer on this Your Holy Mountain, we pray You, oh Lord.

Thank you, my God. Come in glory! Come in glory! Come in glory! Come in glory! Come in glory! We shall cover You with kisses, cover You with flowers, cover You with incense, cover You with light, light everywhere. How I wish all the walls here – nothing but light, the floor – nothing but light. Everywhere flower, everywhere light, everywhere incense, everywhere love, every air here – love, every leaf here – love, every sand here – love, everywhere love, love, love, glory. Come.

“If You promise me, that when I come, there will be no thorns,

there will be no insults, there will be no impurity – I have taken them away by my suffering, by my nailing of the cross. Why should I come and confront them again? No. I will not come. I am not coming until there is no more... I can't come to confront sin, wickedness, evil, hatred – no. I have removed them. I have suffered enough for them. I am coming now to enjoy the glory, glorious victorious love. I am coming now to be embraced, to be kissed, flowers to be poured on Me, incense of love, flowers of love, lights of love, candles. I am coming to see nothing, but the fruit of the seed I have sown with My own blood, with My suffering, with My preaching, with My death on the cross, resurrection, My sacraments - all these millennia. I am coming to reap the fruit of all My suffering and the sufferings of all My saints. I am not coming to be chocked by evil again – no. I will not come. I will not come. I will only come when you are ready to show me nothing, but love, to do nothing, but my will, to

say nothing, but what I love, to do nothing, but what pleases me – completely, perfectly. I will not come, until you are ready, ready with all love.”

Lord, I am ready. Lord, I am ready. Lord, make me ready. Lord, make me pure, absolutely pure. Lord, make me holy, absolutely holy for You so that I can carry You. Remove all the scales in my palms that will scratch Your very tender body, so that my palms, my hands be smooth, smoothed with love, pure. If you touch the flower you dirty the flower. But You are the Creator of flower, You are purity yourself. How can I carry You then? Touch You?

Purify me, Lord, for yourself, for yourself, for yourself. I reject whatever does not please You 100%. I will not go anywhere where you are not loved and praised 100%. No more. I can't go anywhere, only where Hearts of Love is loved and praised and honoured 100%. Before I take off I must be sure of landing.

So, my Lord, come, come, my God, come, come, come. I am ready for You – come! I will carry You – come! I will kiss You without end – come! I will cover You with flowers of love – come! I will cover You with incense of love – come! I will fill You with light of love – come! Come! Come in glory! Come in glory! Come in glory! Come in glory!

Come, my glorious Love, my Triumphant God, my God, my Love, my All – come. We have been longing for You. My heart is yearning for You. My souls is yearning for You. My body pines for You. All my cells, all my organs, my hairs, my nails, my fingers, my tools, my skin, my bones, my blood – everything in me is for You – come! Come in glory!

I promise You I will never allow anybody to come near who can slap You, who can hit You, who can injure You. I will screen them all before allowing them to come near You. Come in glory here in Your Holy Mountain. You have

chosen this place as Your dwelling – come! I and those who follow me, my God, my Love, my God, will show You the greatest love, give You the highest glory. As the angels sang when you were born in Bethlehem – Glooooooooooooooooooooooria in excelsis Deo – so we are singing Your glory – come! Come! Come, my Love, come my God, come my All! We love You. We love You. We shall love You forever and ever. Our love will never diminish. Our love will rather increase more and more.

The more we love You – the more we love You. The more we love You – the more we love You. The more we love You – the more we love You. More and more love. Immer mehr. Immer mehr. Always more. Always more. Forever more and more. Love without end. Just tell us what to do, tell us what to avoid. Give us the strength and grace to avoid whatever will not please You. I love You. We love You.

Only those who love Jesus with pure and holy and perfect love shall climb the mountain of the Lord here. Those who are uncontaminated. Who shall climb the mountain of the Lord? Who shall ascent on this holy place? Those with pure hearts. No evil schemes, no evil on this Holy Mountain, no injury by word, by action. All Love, Mountain of Love, highest love, glorious love. My Jesus, bless me and bless Your people, bless the whole world my glorious Love.

All you give us we shall invest only in your love, in your Two Hearts of Love. Whatever you give us we will invest it only in your love, in the

FEAST OF THE HOLY FAMILY

“My Son, you have prayed asking me to give you saintly helpers

Two Hearts of Love. Lord, I don't know how to express my love for You. You are in my heart. You know me. I am all yours. My Jesus, my God, my Love, my All – God of Love, my Love, thank You for coming in glory. Thank You for coming in glory in me. I am all yours. I am all yours.

Now, brothers and sisters, come and dance for Jesus and carry Him in love, in glory, in honour, in thanksgiving, pour your love on him.

after my heart. You have asked me to give you saintly priests, brothers, sisters, lay apostles. My Son, I have heard your prayer, I am forming souls, saintly priests, brothers, sisters, apostles who will have great love of me and

who will work with you. Be also prepared to send away those I have not called, I have not formed, I have not sent to you. The fact that you send them away does not mean that they are lost, I will still save them by my love by the grace of my Hearts of Love, for I am God, I alone am God, and you are my love, the love of God. Take every care of the souls I send you, do not lose anyone of them, do not let any other control and direct them. I have sent them to you and you alone. You are responsible for accepting and directing them to full realization of their vocation and their mission of the Hearts of Love.”

Please Lord, grant me to be your perfect image, to be completely one with you, to be one with your mother Mary, my mother, to be one with you like saint Joseph, like all the saints and angels. Please Lord make me one with the Eternal Father and the Holy Spirit. Please Lord give me many, many uncountable saintly priests like you, many, many uncountable

saintly sisters like your mother, the blessed virgin Mary, many, many uncountable religious, many, many uncountable lay apostles like saint Joseph. Please make us a holy family like your family, my God, my love, my all, Jesus Christ, my mother Mary and beloved saint Joseph, make us a complete holy family like the holy family of Nazareth of Jesus, Mary and Joseph. Please make us a perfect and complete holy family, one with Father, Son and Holy Spirit. Make us a perfect, united, holy family completely one with the Two Hearts of Love.

“My Love, my son, all your prayers are granted. I love you and will always love you and all with you both now and forever and ever. Amen. I grant all your prayers.”

Thank you, my God, thank you my love, thank you my all. I love you, I thank you and I will ever love you and thank you, my God, my Love and All, may all the family of the Hearts of Love always love and thank you. May

your church always love and thank you forever and ever. May all souls, all hearts love thank you forever and ever, may all persons love and thank you forever and ever, may all the world love and thank you forever and ever, may all the angels and saints and all in heaven and all on earth love and worship you forever and ever, may all your creation love and thank you and do your most holy will forever and ever. Amen. May your most holy will be done be done in me and in all on earth as it is in heaven both now and forever and ever, eternally, infinitely. Amen. Alleluia. Alleluia. Amen. Amen.

“My son, what else do you want?”
I want only your most holy will, may your most holy will be done both now and forever. Amen. And eternally in all and by all and through all and with all. My God, my Love, my All, may your most holy will be done. Amen. Amen. Amen.

“My Son, do my will and my will will be done. My son, my love, it is

in this prayer of the Hearts of Love, My Hearts of Love, that I have poured, given and shared all the love of my Hearts of Love and with you I will draw all to My love in the Hearts of Love and into the most intimate love of the Most Holy Trinity. This prayer of the Two Hearts of Love, keeping all the prayer times, that is the supreme sign that you belong to this family of the Two Hearts of Love. Who is my mother, who is my brother, who is my sister? Anyone who does the will of my father in heaven, he is my mother, my brother, my sister. This is the supreme, this is the incontrovertible, this absolute sign of belonging to this family of the Two Hearts of Love: loving and living the prayer life. My love, my son, any person, no matter who and no matter the reason who neglects and omits this prayer and neglects and misses the prayer times cannot belong to my family of love. Such a person cannot belong to the family of the Two Hearts of Love. Such a person cannot belong to the most intimate

family of the most holy trinity of love. This most intimate, this inmost family of the most holy family has only one entrance: Love. Only one entrance: Hearts of Love, prayer life of the Hearts of Love. That is why I, Jesus, have taught you and taught all to come to me and learn from my heart, for I am meek and gentle of heart. Learn from me, from my heart. No one knows the Son except the Father, no one knows the Father except the Son and those to whom the Son chooses to reveal him. Come to me all, I want all to come to my Heart of Love, all my children all human beings, all that have heart, all that have soul, all persons, all my church, all creation come to me and learn from my heart. Learn from my heart and from the heart of my mother Mary, the Two Hearts of Love ever united in Love. My mother has only one thing to do with you, bring you to me and unite you to me, she has only one thing to teach you: perfect love of God and perfect obedience and absolute, infinite and

unconditional, eternal submission, fulfilment of the most holy will of God, all summarized in her word, her teaching “do whatever he tells you”. That is what she taught me as a baby boy, this is what she teaches the whole family. This is what she teaches the whole church, this is what she teaches the whole human race. This is what she teaches the whole world, the whole creation. This is what she teaches all in heaven and on earth. This is what she does. This is your mission, your only mission, to bring all and unite all in the love of God, in the love of the Hearts of love, in the love of the most holy Trinity of love. My Love, My son, is this not clear, absolutely clear? My Son, this prayer I have given you is completely united with the Holy Eucharist and has a very central role in the plan of salvation of all souls and the fulfilment of my eternal plan to unite all things in Christ, things in heaven and things on earth. I, the Father, I, God the Most Holy Trinity, have planned it so from all eternity and

I will bring my eternal plan to perfect fulfilment. Nobody and nothing will prevent me, I am God of Love, I am Love, you are my love. I love my family, I love my church, I love all souls. I love all creation and will save and unite and fulfil all in my Love. This is my eternal will. My will is one, my will is love. My love, you are in my will from all eternity. My love you are my will from all eternity. When will they see this, and understand this and accept this and love this? This is my eternal and infinite will. My love, do all I

bid you and avoid all I forbid, give yourself completely, absolutely to me and I will do with you all I will. My will is only love, my will is love. My will is nothing but Love. My love you are nothing but love. My will, you are nothing but love. I am love. Let all know that I am love, God of love. I will save all in my love, I will unite all in my love. I am one God of Love. Make all one in My Love. My Love continue receiving my messages. For you, for Me and for posterity. I am he who am the God of love and you are my love.”

CHILDREN ARE BLESSING TO ALL

*Homily during Wednesday Vigil,
on Holy Mountain, on 28. 12.*

2022,

*by Father Love Montfort
Okanwikpo, SHL*

My Love, do all you can to help to preserve innocence of children. Children have my greatest blessings. They are themselves blessings to all.

“My son,” says the Lord, “please, celebrate my birthday, Christmas, with children, all children who can come especially till their 12th birthday. It is my will, the Will of God made very very clear, strong, that all children, till their 12th birthday should receive free food, free medical care, free clothing, free education and so on from the human community. No child should be disadvantaged because of parentage.”

The horrible inequality in the treatment of children should stop. The demonic hatred for some children must be ended.

We had half Farao, the new king, who knew not Joseph, decreed, hej! horrible, to exterminate the Jewish nation, a long-time process, destroy all their male babies, allow their girls to survive, what is his intention? What the Muslims do, how they behave when they attack towns, villages, countries: they kill off their males and subject the woman to sex slavery. It is happening in some parts of Nigeria even now by the headsmen. It didn't begin today. The Pharaoh of Egypt did it, killed the males and nursed the girls for...

The Lord said to us: “begin with children and concentrate on children. Let all children find home of love on my Holy Mountain here.” Udo! From today, there must be special things reserved for children. No child should come here and go without being specially taking care of, the commonest: food, drink, clothing.

“My son, take care of all children. My victory, my reign begins with children.” Have you heard it now?

The victory of the Two Hearts of Love, the reign of the Two Hearts of Love begins with children. The victory of love, divine love, the reign of divine love begins with children.

“I am with all children. I am a child myself. All who welcome children, welcome me. All who accept the Kingdom of God like children will enter into it and enjoy it forever and ever. Amen Let all know that all children are very very important to Me in My plan for the reign of My Hearts of Love.”

Then, God decrees: “let nobody maltreat children. Let nobody mislead children. Let nobody teach children any bad thing. Let all fight to preserve the innocence and integrity of children. Children have my great blessings. They have my greatest blessings. They are themselves blessing to all. I bless all children and bless all who work, pray and make sacrifices for the good of any child, for the good of all children

in the whole world. Be blessed forever and ever. Amen

Why have we sent you from the depths, deepest depths of our love? Because love which is the origin and end of the world of all things is being abused and destroyed and used for destruction and annihilation. The enemy has tried to attack the very depths of the sanctuary of the most Holy Trinity. The love of God is in many places and in millions of hearts dead, in many families and millions of hearts dead, in many families and villages and towns and countries and races decaying. The love for the most Holy Eucharist, sacrament of love, is forgotten and dead in very many people and places even in many churches and countries. The sacrament of love is being abused, abandoned. In many countries, churches are being alienated by church leaders, bishops and churches are being sold and destroyed by the very leaders of the church. Many of those who should protect the church are

destroying and alienating the churches and converting outstanding church buildings built and consecrated and dedicated to profane and sometimes evil use. We cannot wait and see all these happening. Uncountable souls are being led astray by unspeakable means sent by the enemy of God. And the most subtle means the enemy is using is falsification of love, falsification of love, falsification of love.

Do you know? The worst battlefield even today is not Ukraine and Russia. The worst battle field is in the family. Number one between father and mother. And then number two: between father, mother and the child. The womb is now the worst battle field, the slaughterhouse. Millions of children are being slaughtered by their own mothers – abortion.

You talk of abortion, killing of children, but there are billions of children who are even prevented from being conceive. The very first hours of their existence, they

are exterminated already. Falsification of love. Love that kills life. The most subtle means devil is using is falsification of love, enticing and drawing and leading astray and destroying uncountable souls, many innocent undiscerning souls and pulling them into hell. These are souls we have created in our image and likeness and the image and likeness of the most holy Trinity of love and they are meant to inherit everlasting life in heaven. It is why we are sending you – Love, love from Love, love from the heart of God, heart of the Most Holy Trinity of Love, to be our love in the world and let all know that love is of God. Love comes from God and love is of God. True love is divine love. You are the true love, the personification of love: love of God and love of man, love of the world. Love is pure and holy.

You have been sent to show and teach all and lead all in the way of pure and holy love, to show love, show all that pure and holy love

even among human beings is possible. Not only possible, but necessary. Without love, without pure and holy love nothing exists, nothing is good, nothing is pure, nothing is holy and nothing can be saved.

The clearest expression of pure and holy love in the world among human beings is in the Heart of Jesus and the Immaculate Heart of Mary, the Two Hearts ever united in love. That is why you are sent with the weapon of love – which is what you are: love of God, with means of the Two Hearts of Love – ever united in love, with the power of God, with pure and holy love. Please, remain my love pure and holy.

I want to tell you one secret. You cannot come back without establishing the reign of pure and holy love. The work of establishing the reign of pure and holy love can be as difficult as the work of saving Sodom and Gomora. But never give up and never allow the sons and daughters of men to draw you

down to their molt, their dirtiness. The temptations will come, but we have given you the power to overcome them all and emerge victorious. You are the victorious love of God. Be what you are. Bring all to the love of Me. Bring all to the love of the most holy Trinity of love. Bring all to the love of the most Holy Eucharist. Bring all to the love of the Two Hearts of Love. Bring all to the love of heaven and of all the angels and all the saints. Bring all to the love of the church, the pope, the bishops, the priest, the religious, sisters and brothers and the lay apostles and entire laity, entire church in heaven and on earth and in purgatory. These poor suffering souls in purgatory are most thirsty and burning with the need of love not yet with the full possession of love like the souls in heaven, who have the full final and eternal and infinite and absolute possession on love.

Bring all to the love of all. All should be united in love. All hearts should be united to the Two

wounded and bleeding hearts and in this way be perfectly united with the Most Holy Trinity of love, the Two Hearts of Love – the clearest, shortest and safest way to the love of the most holy Trinity. Union with the Hearts of Love is the chosen and ordained way to the most perfect union with the Most Holy Trinity of Love.

Now, your real mission has begun. I am with you, the most holy Trinity is with you, the Father – your Father is with you, the Son – your Love is with you, the Holy Spirit – your Love is with you, the most blessed Virgin Mary – your Mother, your Love is with you, all the angels and saints and holy souls in purgatory, all in the side of God are with you. You must win, but you must fight. Fight hard! The pure and holy end, the destiny, the end of all is in love.

Be what you are, be who you are and He who is will fight for all. He has sent all the angles and saints to accompany and fight with you.

Allow Him to use you as it pleases Him to manifest His eternal and infinite love, pure and holy love to the whole world, to the whole creation. Allow Him to use you to unite all things in Christ, things on heaven and things on earth. Allow Him to use you to renew all things in His most holy and pure and infinite love. You are Love.

Go and be love. Be the love. Be what you are. Your mission is what you are. You are sent to be what you are. God is He who is. You are what you are. You are love. Your mission is Love. Remember the one secret, you cannot come back without establishing the reign of pure and holy love.

God our Father, help us to focus only on You, Your pure and holy love and see in every person Your Love planted, Your love infused, Your love You breathed into men at creation. Help us Lord to see this love and concentrate on this love: to nurture it, to water it, to feed it, to tend it, to take care of it till it blossoms and fills the whole

person and the whole earth with Your pure and holy love reigning in all hearts, in all souls, in all

persons, in all families, in the whole church, in all in heaven and on earth. We pray You oh Lord...

MOTHER OF GOD – THE HIGHEST TITLE

*Preparation for homily during
Sunday Vigil, on Holy Mountain,
on 1. 1. 2023,*

*by Father Love Montfort
Okanwikpo, SHL*

Mother Mary, this is the most wonderful grace to begin this new year with You, as our Mother,

Mother of God, the highest title anybody can have in the presence of God is to be Mother of God. Nobody is Father of God, but you are Mother of God, the highest title, highest honour, highest praise, highest thanksgiving can anybody ever have. Thank you, Mama.

Mary, Mother of Divine Love, We thank Lord our God the Most holy

Trinity of Love, we thank you the most holy eucharistic love, my God, my Love, my All. We thank you Two Hearts of Love of Jesus and Mary ever united in love. Mary is Mother of God. Mary is Mother of the Church, the Mother of the salvation, Mary is the Mother of all, both head and body – being Mother of God and Mother of the Church, Mother of salvation Mother of the whole creation. Mary is Mother. In the most special way, Mary is my own Mother.

When I call her Mother, it is with a very special meaning. When Christ said to the apostles – I am going my Father and your Father, putting it in that way He differentiated the Fatherhood of God in relation to Christ and the Fatherhood of God in relation to the apostles and the whole creation. Whereas God the Father begot the Son in eternity, and they are equal in every respect, God is not Father of creation, it is not begotten, but created, adopted.

Mary as my Mother is very, very special to me. It is the title which God has given her not just title as name, but it is her nature. Her nature is to give birth to Divine Love and only the Love given birth by Mary is Love, any other thing is fake. Mary is my Mother, Mary is Mother of Divine Love. Love is of God. Mother of God, Theotokos, Mother of Christ, in every sense, every way, Mary is Mother of God both natural and supernatural.

In the same way Mary is Mother of Divine love – both natural and supernatural in every sense, in every respect. She is my Mother. I thank God for giving Mary to be my Mother, Mary, her own Mother. Mama Maria, thank you, thank you, thank you.

We have the cultural habit of calling every advanced woman mother. And really these women not only behave, but become really mothers of all the children in the village. They take care of them as their own, giving them food, clothing, care how much

they can. But still, there are children who are begotten by them in their own womb. You will not see the difference if you yourself approach them, unless you are an insider. The way they care for every child, when they finish cooking, they call every child to come and eat, all of them eat together. When they buy gifts, they share it for all children equally. So, they really become mother to all children, but still, there is some interior internal untouchable natural attachment, written in their very genes, biological that cannot be wiped out.

That is what we find in Mary, Mother of Jesus, and Mary, Mother of the Church, our Mother. So also we find in Mary, Mother of Divine Love and Mother of all souls, Mother Mary

as our Mother. May we really love you, may we really love you. May all love you. May all creation love you. May all creation call you blessed.

My Mother, Mother of Divine Love, Mother of God, I beg you, please, carry me in your arms, press my face to your face, my palms to your palms, may I be so physically one with you. thank you, thank you.

All the graces and blessings are yours. All the weaknesses and imperfections and sins, take them away.

My Mother, Mama, thank you, thank you, thank you. Oh, my heart is exploding with love of you.

Mama, supply whatever is lacking.

NEW YEAR VIGIL, INTRODUCTION

Blessed are your eyes for what they see and your ears for what they hear. For many have longed, have yearned, have hoped, even prayed cried with tears to see what you see and they never saw it, to hear what you hear and they never heard it. Blessed are your eyes,

blessed are you. All of you here now in this night you are blessed. Of all peoples in the whole world you are the most blessed. Because in all places in the whole world, here is the most blessed place. And to be here at this time, the first midnight vigil mass in this new year. No fire, no flood, no earthquake can erase this fact that you were among those who were here for the first midnight mass in this years 2023.

This midnight mass is requested by God Himself. As Christ told the apostles at the last supper, after doing it Himself, taking bread he said the blessing broke the bread and gave it to his apostles saying take this ... and he took the wine and said take this... Then what did he say? **DO THIS IN MEMORY OF ME.** That “doing this” was the ordination. By saying “do this” he has ordained them priests and bishops. That is the particular point, particular action of ordaining them priests and bishops to do what? To do **THIS.**

Continue doing it. That was the precise moment of their being ordained and commissioned to be priests and bishops celebrating the holy Eucharist. The same Christ who gave the apostles this mandate after my ordination, after saying to me “do this” ordaining me priest, he gave me something more: “Please, My Love, celebrate for Me every midnight the holy mass.” “Please, My Love, celebrate for Me every midnight the holy mass.” “Please, My Love, celebrate for Me every midnight the holy mass.” And I accepted by a most special grace his grace has not failed in me. It remains very active in me all these years, everywhere, in all countries and continents.

In all places I have visited by his most special grace he has kept me faithful and he means to keep me faithful to the end. That means in all eternity. So listen very well: this same grace God has given to me he wants me to share with those in my family. He wants to use me to found, to establish a

family, family of the Two Hearts of Love, Father Love’s universal family of the Two Hearts of Love. This family is to live this life perfectly well and to spread it into the whole world. ...

I just want to say that God gave us this solution and needed people who would live it out, live this solution perfectly well. And he promised it is possible to save all souls, but He needs those who will live this solution, this prayer life. All we are doing is living this prayer life and providing the conditions for living it perfectly well here at Ugwunso where God has chosen that this life must be lived perfectly well. And the whole world will come here to learn how to live it, they will come here to learn and then go to live it.

This is the only solution to save all souls. So the highest responsibility of those who live here is to show the light, how this prayer life is lived and number one that is it is possible to live this prayer life. It is possible. It is

possible to do vigil every night. You will not die, you will not breakdown. It is possible, that is the only condition to save all souls in the whole world, that some people live this life perfectly well. That is why here is provided. So, I am coming to the point where I will tell you, these people who have been called and chosen to live this life, they **MUST, THEY MUST** live this life! If you are employed as a driver you must drive, if you are employed as a cook you must cook. Must! If you are employed as a teacher you

must teach! Those who are employed to live this life, they are not employed, God said I am creating, I am forming souls, they are formed for this! That is why you exist! You have no other reason for being except this. So you can't do it anyhow. You are created by God for this! After all these years of practising and rumination and doubting now I have decided to follow Jesus, not turning back! Not turning back! That is it. It must be lived perfectly well. Then those who come will see how it is live.

**NEW YEAR VIGIL
HOMILIY**

Everybody here you have survived 2022! Listen. Will you obey? You are no longer allowed to die. You must live! Why living? You must live and see the goodness of the Lord in the land of the living. Having survived the year that has gone and entered this year 2023, this year is the most special year since the creation of the world. Since the creation of

the world. It is the most special year; it is not an ordinary time. You have entered the new time. A new era. Hey! It is the year of heaven on earth. The year of heaven on earth. And here where we are is heaven on earth.

One day the Lord said to me “Come My Love!” And when I came to him, he opened his heart and said “Enter!” I entered his heart. Not peeping, not Thomas’ touching. I entered. Wow! And what I saw! He said, “What do you see?” Indescribable, there are

no words adequate to describe what...I saw. Infinite...Ocean. He said *“My Love this is what you possess and what possesses you.”* The Most Sacred Heart of Jesus united with the most Immaculate heart of Mary that is my heaven! So, when you enter heaven, do not look for me except where? Go straight to the heart of Jesus. You must find me there. That is where I am, that is what I am.

But this heart of Jesus has just one longing, one desire: to bring all to his love, to envelop all with his love, to pour his love on all. To save all with his love. Only one desire: to bring all to his love and envelop all, no single person again will be outside the love of God. That is divine project. This is the very purpose of creation at all. Thank you, my God, and do you know? He has entrusted this salvation of all souls... what great responsibility! He has entrusted it to me and to all who are with me in the Two Hearts of Love. My yoke is easy and my burden light.

Now, let us come straight to the point: Here, Ugwu-Nso is the place God has chosen for the full revelation of this is eternal plan for the salvation of all. He saves all through this prayer life of the Two Hearts of Love. This is the only solution. Anybody entering Ugwu Nso must know where you are entering, where nothing is thought, said or done outside the will of God. My God, my Love, my All, I thank you for hiding, as Christ himself proclaimed, I praise you Father for hiding these things from the clever and the learned and revealing them to mere children. Yes, Father, for that is what it pleased you to do. Thank you, my God, for revealing this most sacred mystery of love of salvation to us and inviting us to this union with these Two Hearts.

I and my family of the Two Hearts of Love we have decided in this year 2023 in fact to say, to think, to do nothing but the will of God and do it perfectly well. We have decided: no more postponement,

delays what God has willed from all eternity and wants to bring to fulfilment in time. Lord, we have volunteered ourselves, we have given ourselves, use me, use us and use those who are following me to achieve your eternal purpose of salvation of all. Lord, whatever it will cost us. The only thing it will cost us, we shall not look, see, touch at anything that is not the will of God. That is the cost. And not just anything that is not the will of God, but whatever we have any doubts at all whether it is the will of God or not, we shall not get involved. Be 100% sure that it is the will of God, then we shall plunge.

The Lord told Jeremiah: Jeremiah don't go where there is rejoicing. Also don't go there where there is mourning. For me it is even maybe using the word worse but in a good way, it is worse than what he told Jeremiah. He told Jeremiah don't go where there is rejoicing, don't go where there is mourning... He told me not only not to go, but not even to look to

the right or to the left, don't look upwards or downwards, don't look front or backward. If all directions are forbidden to me, which direction am I to look then? He said, "I alone am your direction".

So, to live this life perfectly well. The condition Christ gave, if want to be a follower of mine you must, you must, you must renounce. You must hate, you must abandon your father, your mother, your wife, your children, your land. Peter said, Lord you know we have left everything to follow you. You must abandon everything! And follow only the Two Hearts of Love. That is what is required here now. It is very costly, very, very costly. But it is like marriage. When eventually you decide to marry this man, to make him your husband you must say no to how many men? To all others. How many billions? To marry this girl as your wife you have said no to all other girls, all! This choice is very, very difficult, but once you made the right

choice, you enter heaven. Heaven. This is my heaven. Choosing Jesus, choosing Mary, just abandoning every other thing, leaving all. This is what God wants us to pay as a price for the salvation of all souls, and I am ready to pay it.

God said to Adam and Eve... I am coming nearer to letting you know how God loves me and loves you. He said to Adam and Eve of all the trees in the garden eat of their fruits, they are for you, but this one in the middle of the garden, do not touch it. But to me he said, of all the trees, of all the fruits and foods in the garden in the whole world don't eat! Hey. Will I starve? He said no. You will not starve for I am your food, I your God, your love your all am your food, eat only me. Eat me. That is also what Christ John chapter 6 don't work for food that perishes, if you eat my body and blood, you will never die.

So, we are entering heaven on earth where we eat the bread of angels, drink the drink of angels,

eat the food of angels, which is He himself. What angels eat in heaven is God by adoration, they consume him. Heaven on earth! Heaven on earth! Heaven on earth! Say it everybody: Heaven on earth. Heaven on earth, heaven on earth. Heaven has come down in this earth and that is where we are. Of all you are the most blessed. Like Mary. But then what God will use you, use me to do for the whole world no eye has seen, no ear has heard nor has it entered the mind of man. Lord I am willing, your will be done, like Mary I am saying 'Behold I am the handmaid of the Lord, use me as it pleases you!'

This year of heaven on earth you will live and see the goodness of the Lord, a new heaven and earth, the miracle that will be happening wherever, oh my God. But the cost for this miracle is that you and me we shall leave every other thing, abandon every other thing, forget every other thing. Only the will of God in the Two Hearts of Love of Jesus and Mary. So, this

very first day of the year dedicated to our mother, mother of God, Theotokos, let us be like her by giving ourselves completely to God and God will use us as it pleases him.

When the angel came to Mary and was telling Mary what God will do with her, she asked how can this be? God will do it. The angel's answer was simply God will do it. The Holy Spirit will do it, God the Father will do it, God the Son will do it. Holy Spirit do your own thing now... God the Father will overshadow you, all you need to do is to say yes. I am saying it. I will always say yes to God and no to whatever is not the will of God. It will bring tremendous changes in our world, so rejoice, rejoice for the effect the influence of this your yes will resound infinitely eternally forever and ever. Thank you, my God, my love, my all. Thank you for moving us to say this Yes like Mary.

So, this year 2023 will no longer be an ordinary year. It has already been changed, transformed, it is divine, anointed, chosen for heaven on earth, year of heaven on earth, year of heaven on earth, the year when the will of God will be done on earth as it is done in heaven. The year when the prayer of our Lord will be fully answered, when the plan of the Lord will be fully fulfilled. Blessed. Most blessed.

May my life, may your life, may our lives be nothing but overflow of God's love and mercy. Say Amen! May all we undertake, may all we think, we say all we do be nothing but the will of God, say Amen! And may nothing happen to us except the will of God say Amen! And very soon God will spread it using us into the whole world. Very soon nothing will happen in this world except the will of God. Say Amen! Amen and Amen.

THE PRAYER OF THE TWO HEARTS OF LOVE
